

Check out the latest in clean energy technologies.
Learn how to save big on your utility bills and solar installation.

The City of San José presents a

Solar & Energy Efficiency Fair

**Saturday, April 30, 10am – 3pm at the
San José Green Vision Clean Energy Showcase**

The time for clean energy is now! With money-saving rebates from the State, making home energy improvements has never been easier or more affordable. Come to the Solar & Energy Efficiency Fair at the Clean Energy Showcase, the nation's first outdoor demonstration of large-scale solar, wind, electric vehicle and energy efficiency installations.

Free Informative Tours include:

- The benefits of clean energy
- The latest in solar, wind, solar hot water and electric vehicle technologies
- The basics on how solar and wind technologies work
- How solar technologies are being used to power Bay Area homes and businesses
- Helpful information on the cost of going solar

The City of San José presents a

Solar & Energy Efficiency Fair

- **Come tour the new zero energy, off-grid Eco-House**
- **Sign up for discounted home energy audits from local vendors**

Bring the family and get everyone excited about clean energy!

Energy Workshops all day.
